ORDER EXCLUDING TIME

The Court orders that the period of time from May 28, 2004, through August 4, the date of the final status conference, is excludable under 18 U.S.C. § 3161(h)(8)(A), because the ends of justice served by allowing time for the defendant to discuss with her attorney and with the government the possibility of a plea outweigh the defendant's and the public's interest in a speedy trial.
